

Finally, you
can cut the tie
AND the cord.

MADE FOR REAL 

Meet ProCut – the industry's only battery-powered, heavy duty cable tie application tool. Insert the tail, lightly tap the trigger and **the tool precisely tensions and cuts with reduced effort.**

Being the only one on the market means ProCut had to set the bar high. We made it versatile and powerful, capable of processing ties ranging from T50s to T250s. We added a second trigger because sometimes the bundle isn't easy to reach. Auto calibration maintains true, consistent tensioning. And we paired the ProCut with a 2.0 Ah CAS battery – the one compatible with a wide range of industrial tools.

Superior ergonomics. Game-changing productivity. From the industry's tool leader.

PART NO.	Description	Color	Pkg. Qty.
104-10000	ProCut 9 with battery and charger	Blue	1
104-10030	Nosepiece	Metal	1
104-10080	Replacement blade	Metal	1
104-10103	CAS battery	Black	1
104-10133	CAS battery with charger	Black	1

Dimensions are approximate and subject to technical changes. Use Part No. for ordering and Type for specification purposes.
